

BUILDING & ENGAGING at Jack & Jill Preschool

2025-2026 SCHOOL YEAR

In our program, your child will **GROW PHYSICALLY, MENTALLY, SOCIALLY, AND EMOTIONALLY** while in a **SAFE AND STIMULATING ENVIRONMENT**. Your child will thrive in an age-appropriate routine that aids in their learning to be **INDEPENDENT** and continue their educational journey. We believe in a well-rounded learning experience where social-emotional, cognitive, language, literacy, fine and gross motor skills and family connection (home to preschool activities) are just as important as academics.

What You Can Expect:

- Dept. of Education-certified lead teachers with Early Childhood Certifications.
- We are the **ONLY** Dept. of Human Services preschool.
- Creative Curriculum criterion which meshes with and follows kindergarten readiness standards.
- 1-5 teacher-to-child ratio with self-guided play blended with academic learning.
- YMCA-certified Nature Explore Playground and a multi-learning station classroom.
- Fun swim days on-site.
